International Code Council Update

New Chapter Benefits for 2010

For 2010, the Chapter Training Benefit will consist of one day of training at 50% off the listed price for courses and workbooks. Chapters of the International Code Council are entitled to a variety of complimentary and reduced rate benefits. To be eligible for benefits, your chapter must meet the requirements of CP #10-04 and have a current annual report on file.

First Integrated Green Construction Code Poised For 2010 Debut

The ICC launched its International Green Construction Code (IGCC) initiative on June 29th, which will reduce energy usage and the carbon footprint of commercial buildings. Entitled "IGCC: Safe and Sustainable by the Book," the initiative is committed to develop a model code focused on new and existing commercial buildings.

Drafters of the International Code Council's International Green Construction Code (IGCC) are nearing completion of the first-ever integrated green code for traditional and high-performance commercial buildings, set for a public release in March 2010. Read more:
